Save this savings offer to use on future prescriptions

### SUNOSI® (solriamfetol) Savings Card Terms & Conditions

This SUNOSI Co-Pay Assistance Savings Program is designed to assist eligible commercially insured patients who have been prescribed an Axsome medicine for an FDA-approved indication.

#### Patient Benefit:

- Eligible patients will pay as little as \$9 for up to a 90-day supply with a valid prescription for an FDA approved indication; monthly, annual, and/or per-claim maximum program benefits may apply and vary depending on the patients' specific terms of their prescription drug plan and to ensure that the funds are used for the benefit of the patient, based on factors determined by Axsome.

#### Program Eligibility Requirements and Benefits:

- Patients must have commercial (private) health insurance. This program is not valid where the entire cost of the medication is reimbursed by insurance or where insurance does not cover the medication.
- Offer not valid for patients with prescription insurance through federal or state healthcare programs, including but not limited to, Medicaid, Medicare drug benefit plan, Tricare or other federal or state health programs (such as medical assistance programs).
- Some prescription drug plans have implemented programs commonly known as "co-pay maximizer" or "accumulator" programs. These programs adjust the patient's out-of-pocket cost to reflect the availability of financial support received from a co-pay support program, so that out-of-pocket payments that are subsidized by a manufacturer's co-pay program are not treated as a patient's out-of-pocket payments. Patients enrolled in these types of programs may receive benefits from the Axsome Co-Pay Program that vary over time to ensure funds are used for the benefit of the patient.
- This offer may not be redeemed for cash.
- Patient must be a resident of the United States or U.S. territories.
- Patient or patient's guardian must be 18 years of age or older.

#### Additional Terms & Conditions of Program:

- By using this offer, the patient and pharmacist certify that the patient meets the eligibility criteria and will comply with all the terms and conditions.
- Cash Discount Cards and other non-insurance plans are not valid as primary insurer under this offer. If the patient is eligible for drug benefits under any such program, the patient cannot use this offer.
- This offer is not transferable and is limited to one offer per patient. This co-pay offer cannot be combined with any other savings, free trial or similar offer(s) for the specified prescription.
- Void where prohibited by law. Not valid if reproduced.
- **This program is not insurance.**
- Axsome Therapeutics reserves the right to rescind, revoke or amend this offer without notice at any time.

#### To the Pharmacist:

- When you apply this offer, you are certifying that you have not submitted a claim for reimbursement under any federal, state, or other governmental programs for this prescription.
- Participation in this program must comply with all applicable laws and regulations as a pharmacy provider. You are certifying that you will comply with the terms and conditions described in the Restrictions section.
- For any questions regarding InfinityRx online processing, please call the Concierge Desk at 1-888-927-3499.

#### For Patients without Commercial Insurance Coverage or Paying Cash:

Submit this claim to InfinityRx. A valid Other Coverage Code is required. The amount owed by the patient will be reduced and reimbursement will be to the stated cash pay amount.

**By using this card, you and your pharmacist understand and agree to comply with these eligibility requirements and terms of use.**
